Testimonial letter,

June 23, 2019;

Lotan is not just any PR company; it's an all-encompassing, strategic and forward thinking organization with far reaching influence over Israeli society and with deep understanding of the Israeli cultural underpinnings.

Lotan's extensive experience allows them to run successful campaigns spanning art, tech, politics, non for profit and so much more.

Lotan sets clear and strategic expectations while accomplishing its goals flawlessly with the utmost professionalism, independent of the campaign's size or magnitude.

It has been a true pleasure and privilege working with Yael and the amazing team.
